Tanmay Kadam

Pre-final year student, Computer engineering

I am seeking a challenging position as a student, where I can utilize my exceptional academic skills and gain practical experience in a professional environment. I am eager to contribute my strong work ethic, adaptability, and passion for learning towards attaining organizational goals. Committed to continuous growth and dedicated to making a positive impact.

Work Experience

Example, Freelance

- Assisted in managing social media platforms, creating engaging content and increasing follower base by 25 percent.
- Collaborated with a team of students to develop and implement a marketing campaign, resulting in a 15 percent increase in event attendance.
- Conducted research and analysis on market trends, providing valuable insights to support strategic decision-making.
- Actively participating in competitions and hackathons
- Other other other stuff
